

Roman Mosaic Workshop

During the workshop pupils learn the practical skills to create a unique heatproof mosaic coaster with beautiful porcelain tiles.

This workshop has Cross Curricular elements:

Art : creating a unique personal design inspired by Roman patterns

Maths: fractions and sequencing colours for pattern design,

History: embeds the Roman topic

DT : practical skills of cutting, manipulating and understanding the materials used.

Also ideal as a **Family Learning Workshop.**

Alternative themed workshops welcomed

COST: from £260 for 2 classes in one day includes materials, excludes travel.

The workshop leader, Joanna Dewfall, has 20 years experience of running workshops in schools, and has a CRB check, and Public Liability Insurance.
