

Roman designs
by Key Stage 2
pupils.

Mosaic Workshops for Schools

During a workshop pupils learn practical skills to create unique heatproof mosaic coasters with beautiful porcelain tesserae.

This workshop has Cross Curricular elements such as **Maths**: tessellation, fractions and sequencing colours for designing a pattern.

Art : create individual personal designs inspired by a school topic.

Mini beast coasters
by Year 2 pupils.

Embed topics such as Romans,
Tudors, the Universe etc

History:
Medieval
inspired
tiles by KS3
pupils.

COST: from £400 for 2 classes in one day
includes all fees/materials, ex travel.

For smaller groups please ask for a bespoke quote.

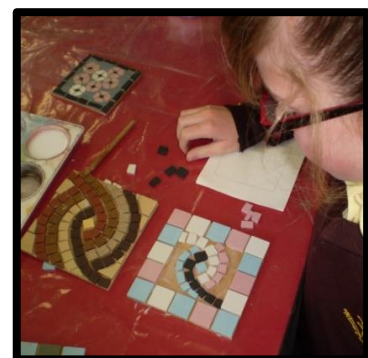

The workshop leader, Joanna Dewfall, has 25 yrs
experience of running workshops in schools,
has a DBS and Public Liability Insurance.

To discuss a workshop email : Joanna@dewfallmosaic.co.uk

DT : practical skills of using
tools safely to cut, manipulate
and understand the materials
used.

**Also ideal as a Gifted and
Talented or Family Workshop.**

Mosaic Panels for Schools and Communities

Design and produce a beautiful weatherproof mosaic to celebrate your School or Group.

Left
One of three
panels for
**Nursted
Comm. School,
Devizes, Wilts.**
2.3sqm
Created by all
pupils at the
school.

Right:
**Owlsmoor
Primary,
Berks**

Above: Bathwick St Mary, Bath. The design is based on **your pupils** drawings to your brief.

Pupils work as a **team** under the professional direction of mosaic artist Joanna Dewfall and produce a creative legacy for their school.

Below: Dinton CE Primary, Wilts. School Values made by the whole school - in progress, reverse technique.
